AS A CONTRACT BOARD host family, you play a hugely important role.

You give people the opportunity to be included in a family environment.

CCS Disability Action can support you by:

- Working with you to establish what works best for you and your family.

We believe all people have the right to be in charge of their own life and be included in the life of their community and family.

Contract Board can be a fantastic stepping stone to an independent life in the community.

- Ensuring that all legal requirements are met and services are coordinated to ensure people receive high quality support.
- Providing you with training, practical support and ongoing advocacy to ensure you are well equipped to handle any challenges.
- Coordinating any required disability-related supports, modifications or medical support needed for a disabled person to thrive in their new environment.
